

Dear Parents,

Don't say it out loud but it's getting close to Christmas!

So, in order to get the festivities off to a great start, how about this year buying your child's own Christmas card? Nothing says Merry Christmas better than a personally designed card!

Your child has been busy creating their very own design to impress you, in the hope that you will place an order for it to be professionally reproduced onto a pack of Christmas cards. The best part is, for every pack of cards that is purchased, up to 20% is given to school to raise funds.

This money is spent in a variety of ways that help to enhance your child's school experience.

This year, we are trying to beat the Christmas rush by getting the forms out to you before half term. If you would like to purchase cards, please fill in the form that has been stuck to the back of your child's Christmas design and return it along with full payment.

The completed forms and full payment need to be returned to school by **Monday 16th October**.

The cards will then be processed over the half term period and will be ready for collection once the children return to school.

Please help support your child's school.

Much thanks,

St. Michael's P.T.F.A
