Dear Parent/Carer(s),

Changes to Universal Infant Free School Meals and Pupil Premium Free School Meals ordering

We are now in a position to offer some of our parents the opportunity of opting into a block booking scheme for hot meals. As well as saving these parents the hassle of going online every three weeks, we hope to encourage more children to enjoy hot meals in school.

Taking advantage of this offer will mean that parents will only have to log on to School Money to order meals once their children become ineligible for either Universal Infant Free School Meals (when they enter Year 3) or Pupil Premium Free School Meals.

Block bookings will only be available to parents of children in Foundation Stage, Years 1 and 2 and those eligible for Pupil Premium Free School Meals who eat a hot meal every day of term time (excluding illness/holidays).

Please note that parents of children who do not eat a hot meal every day of term time will still have to log on to order meals and provide packed lunches for any days that meals have not been ordered.

Please do not sign and return the consent form if you still plan to send a packed lunch on days that your child will not eat the hot meal provided as to prevent waste, children will still be given the hot dinner and packed lunches will be returned home.

Consent slips must be received in the school office by Friday 28th April. Parents who have returned consent slips by this date will have meals block booked from the week commencing Monday 15th May.

Yours sincerely,

Mr P Fox
