Dear Parent/Guardian,

PUBERTY EDUCATION FOR YEAR 5 and 6

I would like to inform parents that puberty lessons will take place during the last two weeks of this term (15.5.17- 26.5.17).

The Year 5 children will learn how male and female bodies change and develop during puberty (including periods). The Year 6 children will revisit the objectives from Year 5 and will also learn about reproduction.

If any parent wishes to watch the DVD, please let the office know and we will arrange a time for you to come in and view it.

If you do not wish your child to take part in the lessons please complete the slip below and return by Friday 12th May. **If you are happy for your child to take part, you do not need to return the slip.**

Thank you

Yours sincerely,

Mr P Fox
