

## **Sports Premium Funding**

The government has provided funding of £150 million per annum starting in the the academic year 2013/14 running for 6 years to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and sees money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all their children. Each school receives £8,000 plus an extra £5 per pupil each year - here at St Michael's that meant **£9,125** for 2015-16.

### **Purpose of the funding**

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs
- pooling the additional funding with that of other local schools.

At St Michael's C of E Primary School, we recognise the significant contribution of PE to the health and well-being of all children. In addition, we believe that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

### **Use of the funding at St Michael's C of E Primary 2015-16**

The money was used so that all children benefitted regardless of their sporting ability. We will continue to place a high priority on our PE provision and, as such, have invested in additional staffing and resources to further enhance the PE curriculum.

At St Michael's, we are committed to further improving our sports provision and as such, will be monitoring the impact this funding has in our school very closely. Should you have any suggestions/comments to make or indeed have skills and knowledge that would be valuable to our children, please feel free to contact the school.

In assessing our success, the following key considerations will be taken into account;

- The importance of enjoyment and play
- The maximum participation of all pupils
- The development of skills and understanding by pupils
- The balance between competitive and non-competitive activities
- The inclusion of all pupils
- Safety issues
- The use of resources

Other uses of the funding:

| Activity   | Objectives   | Cost  | Impact  |
|--|--|-------|---|
| Professional Development, Participation & Access, Competition & Elite, Inspiring & Celebrating Achievement and Improving Fitness |  |       |   |
| Wolds School Sports Partnership  | All pupils able to access sports events.<br>CPD and network meetings for PE subject leaders<br>PE / Sport used to foster positive relationships with other schools | £2095 | 489 children took part in a Wolds School Sports Partnership sporting event.<br>St. Michael's won most of those events!<br>Highlight: Year 3 and 4 Swimming County Champions   |
